the detox diet factor What makes a 21 day sugar detox a good idea for you? One of the best and fastest methods of increasing your feel-good factor as well as getting rid of the fat is eliminating sugar from your daily diet. Consuming sugar in any form can cause a big fluctuation in the way you feel, your energy levels and can effect your emotions; causing euphoric highs followed by depressing lows.

the detox diet factor Dieting is the practice of eating food in a regulated and supervised fashion to decrease, maintain, or increase body weight, or to prevent and treat diseases, such as diabetes. A restricted diet is often used by those who are overweight or obese, sometimes in combination with physical exercise, to reduce body weight. Some people follow a diet to gain weight (usually in the form of muscle).
