

the detox factor

### **the detox factor pdf**

the detox factor Detoxification or detoxication (detox for short) is the physiological or medicinal removal of toxic substances from a living organism, including the human body, which is mainly carried out by the liver. Additionally, it can refer to the period of withdrawal during which an organism returns to homeostasis after long-term use of an addictive substance. In medicine, detoxification can be achieved ...

the detox factor What makes a 21 day sugar detox a good idea for you? One of the best and fastest methods of increasing your feel-good factor as well as getting rid of the fat is eliminating sugar from your daily diet. Consuming sugar in any form can cause a big fluctuation in the way you feel, your energy levels and can effect your emotions; causing euphoric highs followed by depressing lows.
