the development of banking in illinois 1817 1863 scholars choice edition During the 1990s and 2000s, China's banking system underwent significant changes: banks are now functioning more like Western banks than before. Nevertheless, China's banking industry has remained in the government's hands even though banks have gained more autonomy. China is now a member of the World Trade Organization, as of December 11, 2001. The central bank of China is the People's Bank of ...
