the development of positive obligations under the european convention on human rights by the european court of human rights human rights law in perspective law and disorder absurdly funny moments from What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times (Narrative Therapy, 2017).
